Who are Empowerment Partners? *Empowerment Partners* are amazing companies (or people) who subsidize one seat, multiple seats or entire workshops. **Most companies love an opportunity to support real people and 501c3's/NGOs!** They receive several benefits: a tax deductible donation* (since they make their donation to your 501c3 or NGO), a heartwarming personal letter of impact from the participant whose seat they subsidize (confidentiality protected), and a gorgeous Empowerment Partner plaque.

Price per seat: By donating \$1290 per seat (\$645 per day) you can **profoundly improve the life of an individual, and heal generations that follow.** See what [Adult and Youth participants say](#) about the immense positive impact of these confidence workshops.

Minimum + Maximum number of participants:

- **Minimum:** For a viable workshop, we'll need at least **12** participants. Dedicated donors simply hold off on transferring funds to your organization until 12 sponsored seats are confirmed.
